Due to the printing processes involved, the colours should be taken as merely indicative of the shades of the actual product. For an accurate colour representation, please refer to Mapei "Coloured Grouts" samples. Colours can be affected by the surface (where they are used) and the brightness of the environment.

* **Grout Selection** - a choice of 14 new colours from the Mapei Coloured Grouts range, especially designed to complement "timber look" tiles.

Ultracolor Plus

Fast setting and drying, high performance, polymer-modified, anti-efflorescence, water repellent grout for joints from 2 to 20 mm with DropEffect® and mould-resistant with BioBlock® technology.

Available in 30 colours.

Keracolor SF

Fine-grained, high-performance white cementitious mortar for grouting joints up to 4 mm wide.

Available in #100 (white) and #130 (jasmine).

Keracolor FF

High performance, polymer-modified water-repellent cementitious mortar with DropEffect® for grouting joints up to 6 mm.

Available in 10 colours.

Keracolor GG

High performance, polymer-modified cementitious mortar for grouting 4 to 15 mm joints.

Available in 8 colours.

Kerapoxy

Two-component, acid-resistant, epoxy grout for joints over 3 mm. **Kerapoxy** is used for internal and external grouting of ceramic floor and wall tiles and stone material, that are subject to heavy traffic or where complete hygiene and strong chemical resistance are required.

Available in 16 colours.

Kerapoxy Design

Two-component, decorative, translucent, acid-resistant epoxy mortar for grouting glass mosaics, ceramic tiles and stone material with a particular aesthetic value, to be used in conjunction with **MapeGlitter**.

Available in 11 colours.

Mapesil AC

Mould-resistant with BioBlock® technology, solvent-free, silicone sealant with acetic cross-linking for movement joint of ±20% of the initial size. It perfectly forms elastic gaskets between different construction elements in building, mechanical engineering, ship-building, automobile manufacturing, etc.

Available in 30 colours and #999 transparent.
